

# Domaine Chanson

One of the great historic producers in Burgundy!

Domaine Chanson, founded in 1750, is 1 of only 6 producers in the region still remaining from the 18th century and earlier. Most critical to today, Chanson was purchased in 1999 and has been dramatically restored to once again become one of Burgundy's top estates, best signified in 2017 by 3 of their wines earning "wine of the year" plaudits from the most renowned wine critic in France.

Chanson has extensive holdings of over 111 acres of exclusively Premier and Grand Cru vineyards in the heart of Burgundy. This includes 62 acres of Premier Cru vineyards in the Côte de Beaune, making them one of the leading Premier Cru specialists in the appellation.

Requiring diligent viticulture and perfect ripeness, they vinify all whites and reds 100% whole cluster at their state-of-the-art facility on the outskirts of Beaune. They use Champagne-style fractional pressing to gently extract the juice, and then age wines in barrel, with no more than 30% new oak for the reds and 20% new oak for the whites.

Aging takes place in the Bastion they own, 1 of the 5 massive towers from the 15th century fortifications that encircle the heart of medieval Beaune. Remarkably, Chanson acquired the Bastion just after the French Revolution.

Chanson's wines are defined by lifted and exotic aromas, a supple texture, and rich, dense fruit without heaviness. Chanson is notably obsessed with maintaining top quality across its entire range. The regional and village wines are produced with the same precision and care as the Premier and Grand Crus.
