Pierre Delize Blanc de Blanc Brut

Pierre Delize Blanc de Blancs is the new definition of outstanding value in Sparkling Wine from France.

Pierre Delize is a blend of Airen grapes expressing developed aromas.

The focus is on freshness and fruitiness with just enough complexity to balance it's value.

Pierre Delize Blanc de Blancs Brut is produced through only natural fermentations.

The secondary fermentation is done at low temperatures in order to guarantee finer bubbles in the glass.

The residual sugar is balanced at 10g/L.

The golden yellow color of this Blanc de Blancs and it's delicate bubbles highlight the finesse of its effervescence.

It's fruity nose with notes of yellow fruit, peach and apricot, gives way to a pleasant and soft palate.
